Welcome to Nestlings Forest School and Nursery

Dear Parents, Guardians, and Little Nestlings,

Welcome to Nestlings Forest School and Nursery, a place where curiosity knows no bounds and nature becomes our greatest teacher. Nestled in the heart of Bwlchgwyn in Wrexham, our forest school nursery is a haven for young minds eager to embark on a journey of discovery and play.

At Nestlings Forest School Nursery, we believe that learning is an adventure, and what better classroom than the great outdoors? Our forest school is designed to ignite a love for nature, foster creativity, and build a strong foundation for lifelong learning.

As you leaf through the pages of this prospectus, we invite you to imagine the endless possibilities that await your child at Nestlings Forest School and Nursery. We encourage you to join us on this exciting journey where each day is a new chapter in the great story of exploration and growth.

Thank you for considering Nestlings Forest School and Nursery as your child's first stepping stone into a world of wonder and learning.

Sincerely,
Michelle Blakemoore
Principal/Founder, Nestlings Forest School and Nursery

Our Mission

At Nestlings Forest School, our mission is to create an enchanting haven where children embark on a journey of self-discovery and connection with the natural world. We nurture a spirit of wonder, independence, and resilience in every child.

Our Roots:

Nestlings Forest School and Nursery was born from a shared passion for creating a nurturing environment that seamlessly blends the enchantment of the great outdoors with the foundations of early childhood education. Nestled in the heart of Wrexham, our school is more than just a place of learning; it's a sanctuary where children flourish in the embrace of nature.

Dedicated Forest School Leaders:

The heart of Nestlings Forest School and Nursery beats with the passion and dedication of our Forest School Leaders. All our Leaders are trained professionals with a love for teaching and a commitment to the well-being of each child, they create an environment where every child feels seen, heard, and encouraged to spread their wings.

Community Connection:

We understand the importance of community in a child's journey. At Nestlings, families become an integral part of our extended community, joining hands in nurturing the growth and development of our young explorers.

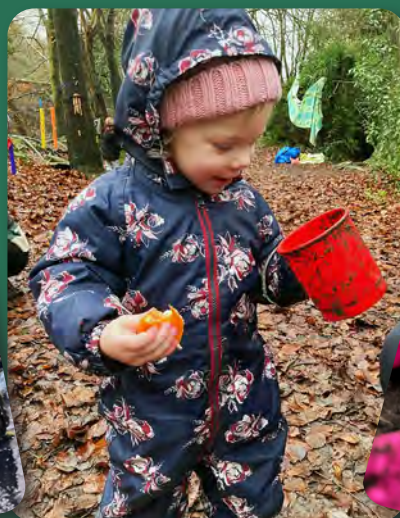

Join the Nestlings Family:

Whether it's the laughter echoing through our forest, the inquisitive eyes of a child discovering a hidden treasure, or the shared moments of joy and accomplishment, Nestlings is a place where memories are made, and foundations are laid for a future of boundless possibilities.

Our Values

- Caring and passionate staff who will support your child's learning and encourage independence.
- Sense of security: ensuring the children feel safe and secure; safeguarding is at the heart of all we do.
- Happy and healthy children create thinkers and provide opportunities to build confidence and resilience.
- Active bodies and minds enhance physical development, an awareness of healthy lifestyles, and emotional wellbeing.
- Inspiring inquisitive imaginations by igniting their interests and developing independence and individuality.
- Success: celebrating all achievements, no matter how small, to support self-belief, confidence, and self-esteem, ready to embark on their next adventure.

Our staff carefully plan and prepare for each child's needs through a blended curriculum that includes child-led and adult-led activities. We adopt an 'in the moment' approach when the child's interests are ignited during a certain activity, which allows them to pursue their interests further. We also incorporate elements of the 'Curiosity Approach' into our curriculum, which provides many opportunities for 'Awe and Wonder' to take place via our array of learning opportunities.

Facilities

Location and Surroundings:

Nestled within an organic, natural environment, our forest school is situated amidst a diverse woodland ecosystem. Surrounded by tall trees, native flora, and natural elements, the premises provide a unique and immersive learning experience for children.

Classrooms:

Instead of traditional indoor classrooms, our forest school embraces the concept of outdoor learning spaces with open-air learning areas, natural seating arrangements, and learning stations that foster a connection between children and the natural world. Furthermore, we have sheltered spaces, such as tree canopies, eco-friendly structures, teepees, and indoor firepits, for protection during adverse weather conditions.

Play Areas:

Nature-inspired play areas are strategically integrated into the forest school landscape. Play areas include natural elements like fallen logs, climbing structures, and sensory gardens, encouraging physical activity and imaginative play. Sandpits, water play, and exploration corners provide opportunities for hands-on learning and creative expression.

Sleeping Rooms:

Restful areas are nestled within the forest, providing a tranquil setting for naptime or quiet moments. Portable, nature-themed sleeping mats or hammocks allow children to rest comfortably while surrounded by the calming sounds of the forest with adequate shading and protection, which will ensure a safe and peaceful sleeping environment.

Safety and Security Measures:

- **Qualified and highly experienced staff:** Our staff includes certified forest school leaders with expertise in outdoor education, first aid, and wilderness safety.
- **Emergency Procedures:** Comprehensive emergency procedures are in place, including evacuation plans and communication systems, to address unforeseen situations effectively.
- **Supervision:** Children are under constant supervision by trained professionals, ensuring their safety during outdoor activities.
- **Health and Hygiene:** Hygiene practices are maintained, with provisions for handwashing stations and proper sanitation in outdoor facilities.

Wildlife Awareness:

Staff members are educated on local flora and fauna, promoting an understanding of the natural environment and ensuring children's safety in their natural surroundings.

Our forest school premises are designed to create a harmonious blend of education, play, and safety within the enchanting embrace of nature, providing a truly immersive and memorable experience for young learners.

Monthly payments must be received on or before the 10th day of each month. Weekly payments must be received on the first day of attendance each week.

3. Attendance:

Children are expected to attend regularly and punctually. Parents/Guardians should notify the nursery in advance of any planned absences.

If a child is absent due to illness, parents must inform the nursery on the first day of absence.

We will endeavour to run our sessions outdoors in all weathers however, we may be unable to continue with sessions if:

- A severe weather warning is issued by the Met Office.
- It is deemed to be unsafe by the Forest School Leader.

4. Health and Safety:

While attending Nestlings Forest School and Nursery, your child will have the opportunity to take part in a range of Forest School activities, alongside free play. These activities may include digging, sculpting, whittling, tree climbing, constructing shelters and cooking over a campfire.

Parents/Guardians are responsible for informing the nursery of any medical conditions, allergies, or special requirements of their child.

In the event of a medical emergency, the nursery will take necessary action and contact parents immediately.

5. Clothing and Equipment:

Please make sure all children are appropriately dressed; light layers in the form of long sleeves and leggings/jogging trousers are the best protection from the sun, wind, and nettle stings. Waterproofs or snow suits are essential in cold and wet weather. Two pairs of socks minimum when the weather is chilly along with hats, gloves and scarves will keep your child nice and warm. In warmer temperatures please ensure your child has a sun hat and that sun cream has been applied before the session.

Parents/Guardians are responsible for ensuring their child has the necessary equipment, such as a backpack, water bottle, and any other items specified by the nursery.

6. Communication:

The nursery will communicate with parents through newsletters, emails, or other designated channels.

Parents are encouraged to communicate any concerns, changes, or updates regarding their child promptly.

7. Withdrawal and Termination:

Parents/Guardians must provide one month's written notice in advance if they intend to withdraw their child from the nursery.

The nursery reserves the right to terminate enrolment if the child's behaviour poses a risk to themselves or others.

8. Governing Law:

These terms and conditions are governed by the laws of England and Wales. Any disputes shall be resolved through mediation or arbitration in accordance with the laws of England and Wales.

9. Changes to Terms and Conditions:

The nursery reserves the right to update these terms and conditions. Parents will be notified of any changes in advance.

10. Agreement:

By enrolling your child in Nestlings Forest school and nursery, parents/guardians agree to abide by these terms and conditions.

By signing below, you are agreeing that Nestlings Forest School Leaders have done all they can to minimise risks on site, and that you understand that some risks have benefits - allowing your child to learn to manage risk for themselves, with our supervision. For further information please refer to our policies, these can be found on our website.
